

**For the duration of our closure, we have partnered with Nearpod to provide all Cobb teachers access to tools to facilitate Distance Learning!** Nearpod is a lesson delivery platform that allows teachers to share interactive lessons with their students.

## How to get started

**If you already had an account** with your Cobb email address: head to [www.Nearpod.com](http://www.Nearpod.com) and login like normal. You will automatically be added to our district account

**New to Nearpod?** Check your email! You will have been emailed a password. *Didn't receive an email?* [Reset your password](#) here using your Cobb email address.

## New to Nearpod?

[Here](#) are 3 excellent instructional videos to help you get started! Each video is 1-minute long. Once you're done watching, head to our [Lesson Library](#) to browse ready-to-teach Lessons. You may also find this Nearpod Virtual Learning [Playlist](#) helpful.

## Frequently Asked Questions

**What if I already had an account? Will I lose access to my lessons?** If you already had an account using your Cobb email address, your account will automatically be upgraded to the district account. You will *not* lose access to anything.

**Does Nearpod work with all devices?** Yes! Students can access Nearpod from any device with a web browser by heading to [www.Nearpod.com/student](http://www.Nearpod.com/student) and entering the code for the lesson. iOS devices can also download the free Nearpod app.

**How long will I have access to the upgraded account?** 60 days or the duration of the closure, whichever is longer.

**What will happen after the closure?** If your school had purchased Nearpod previously, or you individually purchased Gold or Platinum, you will continue to have the access you had previously. All other users will be downgraded to Nearpod's [Silver](#) edition.

**What if I have more questions about my license?** For additional questions, please email [support@nearpod.com](mailto:support@nearpod.com). You can also chat with Nearpod live at [www.nearpod.com](http://www.nearpod.com) and access the chat window on the bottom right of your screen.

## Additional Resources

Okay, I'm an expert now. What else do you have for me? Wow, look at you! We're impressed. Here are some Additional Resources:

- [Daily live webinars](#): including those specifically focused on helping educators prepare for school closures featuring tips on using Nearpod for remote learning
