

How to Access BYOD Teacher Certification Course

These directions explain how to access the self-paced Bring Your Own Device (BYOD) Certification course from Instructional Technology.

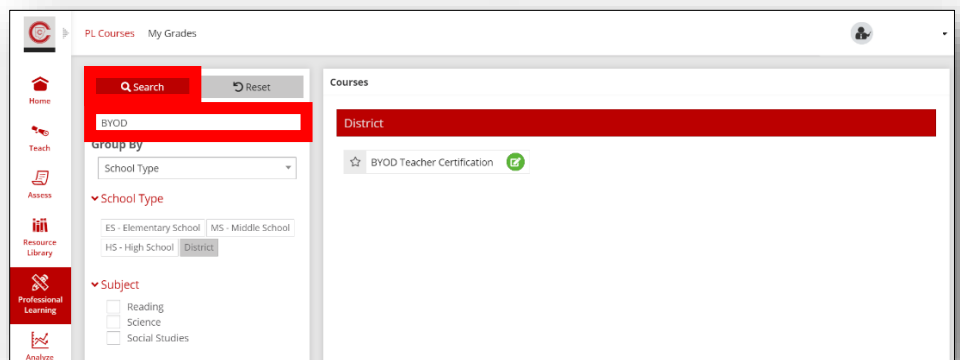

1. Log into **CTLS**.

2. Select **Professional Learning** on the left sidebar menu.

3. Type **BYOD** in the Search for Courses field.
4. Click **Search**.

5. Click the **star** to the left of the course name. This adds the BYOD course to your My PL Courses section.
6. Click the **icon** to the right of the course name to enroll in the course.
7. Click **BYOD Teacher Certification** to open the Course Navigator.
