# Digital Workflow Solutions

Communication and Collaboration Spaces

K-12

“One-stop shop” for teaching and learning in Cobb – teacher & student portal for live and online instruction

K-5

Empower students to show what they know in multiple ways and engage families through sharing

3-12

Bring content, conversation, and apps into one location that streamlines workflow

K-12

Customizable classroom blogs

4-12

OneNote Class Notebooks have a personal workspace for every student, a content library for handouts/resources, and a collaboration space for lessons and activities
