

StreamingCobb Naming Convention

To locate videos uploaded to StreamingCobb with the search feature, it is essential to have a specific, uniform naming convention.

1. Click **Edit** next to the video name.

Note: Be sure to use the hyphens and the colon in the example exactly as they are shown with no spaces.

2. Begin the video name with the **3-letter school code**.
Note: List of school codes is included below.
3. Enter the **course and grade level** for the video.
Note: In this example, the intended audience is 8th Grade ELA teachers or students.
4. List the specific **topic** of the video.
5. The last section of the video name should be your name listed as **your first initial and last name**.
6. When renaming is complete, click **Save**.
