

Technology Services

INSTRUCTIONAL TECHNOLOGY

What is a TTIS?

A coach who helps teachers transform their practice.

Why do we exist?

Prepare digital age learners for success in a global, ever-changing society

How do we behave?

Professionally with a focus on positive customer service

What do we do?

Empower learners in the Digital Age Classroom to promote higher order thinking, creativity, and problem solving

How will we succeed?

By being intentional, reflecting, and adapting together

What is most important now?

Supporting District initiatives and advancing the Digital Age Classroom while fostering relationships

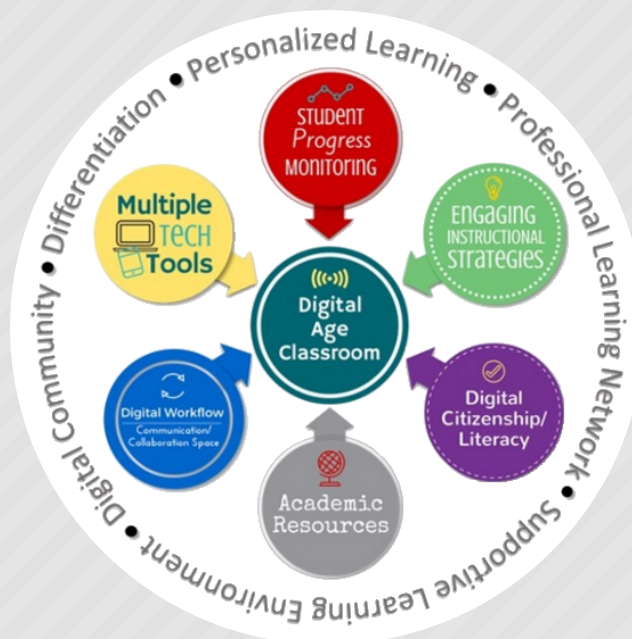

Who must do what?

Each Instructional Technology team member will fulfill the mission
