| Per Section 4.0 of the Special Terms & Conditions, in the event CCSD has failed to include an item(s), responding suppliers are asked to provide a fee structure for additional, related items that may be purchased during the award period. Suppliers are to identify the pricing source and the associated fee structure in the space to the right. | | | | | 50% | | Representative for price requests on forms | | |

*Forms are 100 count per pkg

Apperson, Inc.

1. If your machines are not currently in the CCSD, how long would it take you to place the necessary test scoring equipment in the schools.

Apperson scanners will be ready to be placed in schools 30 days after receiving the bid award.

2. Will your company buy back existing forms either your own or another company's? If so, please indicate cost.

Once the new scanners are installed and the initial order is placed, for the first 90 days, Apperson will trade out the previous vendor's unopened packages of forms. School will ship unopened packages to Apperson in Charlotte, NC and we will send back an equal number of equivalent packages. Limit 500 packages

Scantron Corporation:

1. If your machines are not currently in the CCSD, how long would it take you to place the necessary test scoring equipment

N/A

2. Will your company buy back existing forms either your own or another company's? If so, please indicate cost.

Request for any stock forms returns must be requested within 90 days of the date of the invoice. Product must be in original packing and the order will be subject to a restock fee of 15%. Customer will be responsible for freight return fees. Please call for additional return terms and conditions.
