Mark Twain

- Born Samuel Langhorne Clemens
- American author and humorist
 - Praise from critics and peers for his keen wit and incisive satire
 - "Father of American literature" - William Faulkner
- Best known for
 - "Adventures of Huckleberry Finn"
 - "The Adventures of Tom Sawyer"

Born Samuel Langhorne Clemens. Born on November 30, 1835 - better known by his pen name Mark Twain. Mark Twain became both Clemens' writing name and a persona he affected in his works. Particularly in his travel books "Innocents Abroad" and "Roughing It," Mark Twain narrates as an excitable, naive fellow, quite unlike the

Inspiration 9

The screenshot shows the Inspiration 9 software interface in Outline View. The main window displays a hierarchical outline titled "Changing Energy Habits for Sustainable Living". The outline includes sections like "I. Impact of Today's Energy Use" and "II. Ways to Conserve Energy Each Day", with sub-topics such as "A. Increased greenhouse gases" and "B. Depletion of fossil fuels". The interface includes a toolbar at the top with various icons for editing and navigation. Blue callout lines point to specific icons and features, explaining their functions. The text in the outline is styled with different colors and levels of indentation.

Callouts and Functions:

- Move topic right
- Move topic left
- Add subtopic
- Add topic
- Split a topic into two
- Add a note
- Create a hyperlink
- Open Word Guide
- Transfer to word processor
- Go to Presentation Manager
- Switch to Diagram or Map Views
- Hide or show note
- Hide or show subtopics
- See link text
- See symbols
- Set topic styling by level
- Set prefix style
- Hide or show symbols
- Hide or show link text
