

Congratulations! Your email account has been migrated to the Exchange cloud.

How to Get CCSD Email

- **When prompted, enter your CCSD email password and tap OK.** This is the same as your computer login password.
- **Open the Mail app to find your inbox and emails.** 
- **Some users may need to power their device off/on.**
- **If you missed the prompt to enter your password, see the directions on the right (blue box).**

HELP!

If you missed the prompt to enter your password, you can go into your settings and enter it there.

Go to the Accounts & Passwords setting (Settings — Mail for versions below iOS 11), choose CCSD Email and enter your email credentials.
